Handpiece Accessories - Handpiece Quick Coupling

 NSK Swivel Quick Coupling ◆ Interchangeble with NSK QD-J M4 , Midwest 4-hole ◆ Fit NSK Pana-Max PLUS QD (NSK P/N: PAP-QD MU and PAP-QD SU)		
PN	Description	Price
HA1404	NSK 2-Hole Quick Coupling	US\$7.00
HA1405	NSK 4-Hole Quick Coupling	US\$7.00

Connector 4-Hole Midwest Nut & Metal Connector

Features

- ◆ Fiber-optic offset
- ◆ All the fittings are pressed in without glue, can be Autoclavable.

PN	Description	Price
HA1602A	Connector 4-Hole Midwest Nut & Metal Connector (Plated brass nut and connector)	US\$4.00
HA1602B	Connector 4-Hole Midwest Nut & Metal Connector (Stainless Steel nut and connector)	US\$5.00

Connector 3-Hole Midwest Nut & Metal Connector

Features

- ◆ All the fittings are pressed in without glue, can be Autoclavable.

PN	Description	Price
HA1600	Connector 3-Hole Midwest Nut & Metal Connector (Plated brass nut and connector)	US\$4.00

3 in 1 Connector 4-Hole Midwest Nut & Metal Connector

Features

- ◆ All the fittings are pressed in without glue, can be Autoclavable.

PN	Description	Price
HA1603	3 in 1 Connector 4-Hole Midwest Nut & Metal Connector (Plated brass nut and connector)	US\$4.50

HP Tubing Adapter 2/3-Hole HP to 4-Hope Tubing

PN	Description	Price
HA1604	HP Tubing Adapter 2/3-Hole HP to 4-Hope Tubing	US\$6.80

HP Tubing Adapter 4-Hole HP to 2 / 3-Hole Tubing

PN	Description	Price
HA1605	HP Tubing Adapter 4-Hole HP to 2 / 3-Hole Tubing	US\$6.80

**6PIN Midwest Nut and Metal Connector Optic Handpiece Tubing*****Length : 200CM**

PN	Description	Price
T1101.10	6PIN Midwest Nut and Metal Connector Optic Handpiece Tubing	US\$13.50
PN	Description	Price
T1101.20	6PIN Midwest Nut and Metal Connector Optic Handpiece Tubing / Inner Tubing is made in USA	US\$32.00

**4-Hole Midwest Nut and Metal Connector Handpiece Tubing (USA Type)*****Length : 200CM**

PN	Description	Price
T1102	4-Hole Midwest Nut and Metal Connector Handpiece Tubing (USA Type)	US\$9.50

**4-Hole Midwest Nut and Metal Connector Handpiece Tubing*****Length : 200CM**

PN	Description	Price
T1103.10	4-Hole Midwest Nut and Metal Connector Handpiece Tubing	US\$8.00
PN	Description	Price
T1103.20	4-Hole Midwest Nut and Metal Connector Handpiece Tubing / Inner Tubing is made in USA	US\$11.00

**2-Hole Midwest Nut and Metal Connector Handpiece Tubing*****Length : 200CM**

PN	Description	Price
T1106.20	2-Hole Midwest Nut and Metal Connector Handpiece Tubing / Economy	US\$5.20

Operatory Equipment & Accessories - Water System & Bottle

4

Economy Clean Water System

- ◆ Includes regulator, gauge, selector and on/off toggles
- ◆ Dispenses fluid to syringe and HPs
- ◆ Mounts almost anywhere
- ◆ Heavy duty bottle 1.5L
- ◆ Selector toggle changes from city water to bottled fluid
- ◆ 2" post clamp and flat surface clamps included

PN	Description	Price
SA2000	Economy Clean Water System	US\$64.00

Heavy-Duty Bottles for Dental Unit Water Systems

PN	Description	Price
SA2102	600mL Heavy-Duty Bottles for Dental Unit Water Systems	US\$4.50
PN	Description	Price
SA2103	1000mL Heavy-Duty Bottles for Dental Unit Water Systems	US\$5.50

Pressure Head Assembly

PN	Description	Price
SA2201	1L Heavy-Duty Bottles for Dental Unit Water Systems	US\$1.50

Standard Syringe Ball Bearing Angular

Features

- ◆ Smooth contours for quick, thorough cleaning and a sleek, contemporary look
- ◆ Press quick change tip
- ◆ Accepts standard autoclavable syringe tips or disposable tips
- ◆ Two standard syringe tips included
- ◆ Precise control of air, water and spray

◆

PN	Description	Quality	Price
S1110.10	Standard Syringe Ball Bearing Angular		US\$7.20
S1110.30	Standard Syringe Ball Bearing Angular / High Quality		US\$17.50

Standard Syringe Cone Shape

Features

- ◆ Trim, lightweight head
- ◆ Quick-tip release
- ◆ Smooth contour enable through wipe down
- ◆ Accepts standard autoclavable syringe tips or disposable tips
- ◆ Cross-pin allows easy button exchange
- ◆ Two standard syringe tips included
- ◆ Precise control of air, water and spray

◆

PN	Description	Quality	Price
S1130.10	Standard Syringe Cone shape		US\$12.50
S1130.30	Standard Syringe Cone shape / High Quality		US\$18.50

Straight Syringe Continental Syringe Ball Bearing Angular

Features

- ◆ Trim, lightweight head
- ◆ Quick-tip release
- ◆ Smooth contour enable through wipe down
- ◆ Accepts standard autoclavable syringe tips or disposable tips
- ◆ Cross-pin allows easy button exchange
- ◆ Two standard syringe tips included
- ◆ Precise control of air, water and spray

◆

PN	Description	Quality	Price
S1120.10	Straight Syringe Continental Syringe Ball Bearing Angular		US\$11.00
S1120.20	Straight Syringe Continental Syringe Ball Bearing Angular / High Quality		US\$19.00

Autoclavable Syringe Tips

PN	Description	Price
S1210	Autoclavable Syringe Tips	US\$1.00

Syringe Water Heaters

- ◆ Compact 4 oz
- ◆ Preset temperature
- ◆ MPT Port

PN	Description	Price
S1510	Syringe Water Heaters	US\$22.00

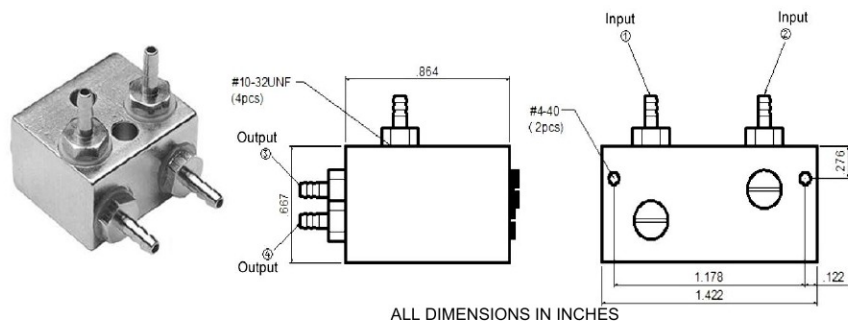

Flow Adjustment Manifold

- ◆ 10-32 Ports, 1/8" or 1/4" fittings
- ◆ Manages air and /or water flow
- ◆ Nickel plated brass
- ◆ Suitable for syringes

Specifications

- ◆ Working Pressure: 0~125psi
- ◆ Working Temperature:-25°F~180°F
- ◆ Used for Air or Water

Product Cross Reference

PN	Description	Price
S1410	Flow Adjustment Manifold	US\$3.50

Standard 2-Hole Syringe Tubing

*Length : 180CM

PN	Description	Price
T1301	Coiled Standard 2-Hole Syringe Tubing	US\$3.50
PN	Description	Price
T1302	Straight Standard 2-Hole Syringe Tubing	US\$2.00

Standard Autoclavable Extended Vacuum Valves

- ◆ Single piece contoured lever/valve assembly
- ◆ Easy removal lever and spool valve assembly
- ◆ Disassemble without tools for clearing and lubrication
- ◆ Long lasting Viton O-rings
- ◆ Connects to 1/2" ID Tubing
- ◆ Ultra-smooth body and plastic lever
- ◆ Hangs from tip in most syringe hangers
- ◆ Lightweight quick disconnect -360 swivel
- ◆ All components are autoclavable
- ◆ Anodized aluminum finish

PN	Description	Price
VC1101	Standard Autoclavable Extended Vacuum Valves	US\$3.70

Premium Autoclavable Extended Vacuum Valves

- ◆ Single Piece Contoured Lever/Valve Assembly
- ◆ Ultra-smooth body and metal base long lasting lever
- ◆ Disassemble without tools for clearing and lubrication
- ◆ Long lasting Viton O-rings
- ◆ Connects to 1/2" ID Tubing
- ◆ Easy removal lever and spool valve assembly
- ◆ Hangs from tip in most syringe hangers
- ◆ Lightweight quick disconnect -360 swivel
- ◆ All components are autoclavable
- ◆ Anodized aluminum finish

PN	Description	Price
VC1102	Premium Autoclavable Extended Vacuum Valves	US\$9.40

Premium Autoclavable Short Vacuum Valves

- ◆ Short and fit large bore HVE hangers
- ◆ Ultra-smooth body and metal base long lasting lever
- ◆ Disassemble without tools for clearing and lubrication
- ◆ Long lasting Viton O-rings
- ◆ Connects to 1/2" ID Tubing
- ◆ Single piece contoured lever/valve assembly
- ◆ Hangs from tip in most syringe hangers
- ◆ Lightweight quick disconnect -360 swivel
- ◆ All components are autoclavable
- ◆ Anodized aluminum finish

PN	Description	Price
VC1103	Premium Autoclavable Short Vacuum Valves	US\$8.60

Standard Autoclavable Saliva Ejectors

- ◆ Single piece contoured lever/valve assembly
- ◆ Easy removal lever and spool valve assembly
- ◆ Lightweight quick disconnect -360 swivel
- ◆ All components are autoclavable
- ◆ Anodized aluminum finish
- ◆ Ultra-smooth body and plastic lever
- ◆ Disassemble without tools for clearing and lubrication
- ◆ Long lasting Viton O-rings
- ◆ Connects to 1/2" ID Tubing

PN	Description	Price
VC1201	Standard Autoclavable Saliva Ejectors	US\$2.30

Premium Autoclavable Saliva Ejectors

- ◆ Single piece contoured lever/valve assembly
- ◆ Easy removal lever and spool valve assembly
- ◆ Lightweight quick disconnect -360 swivel
- ◆ All components are autoclavable
- ◆ Anodized aluminum finish
- ◆ Ultra-smooth body and metal lever
- ◆ Disassemble without tools for clearing and lubrication
- ◆ Long lasting Viton O-rings
- ◆ Connects to 1/2" ID Tubing

PN	Description	Price
VC1202	Premium Autoclavable Saliva Ejectors	US\$7.00

Premium Autoclavable Saliva Ejectors

- ◆ Single piece contoured lever/valve assembly
- ◆ Easy removal lever and spool valve assembly
- ◆ Lightweight quick disconnect -360 swivel
- ◆ All components are autoclavable
- ◆ Anodized aluminum finish
- ◆ Ultra-smooth body and metal lever
- ◆ Disassemble without tools for clearing and lubrication
- ◆ Connects to 1/2" ID Tubing

PN	Description	Price
VC1203	Premium Autoclavable Saliva Ejectors	US\$7.00

Autoclavable Saliva Ejectors Tip

PN	Description	Price
VC1202.10	Autoclavable Saliva Ejectors Tip	US\$0.20

Economy Vacuum Valves

- ◆ Durable plastic valve body and spool
- ◆ 360° swivel
- ◆ Connects to 1/2" I.D. tubing
- ◆ Accepts standard size evacuator tips

PN	Description	Price
V1602.10	Economy Vacuum Valves	US\$0.90

Economy Saliva Ejector

- ◆ Durable plastic construction
- ◆ 360° swivel
- ◆ Connects to 3/16" I.D. tubing
- ◆ Designed for use with standard holders

PN	Description	Price
V1602.20	Economy Saliva Ejector	US\$0.70

Vacuum Components Vacuum Canister Locking Lid

- ◆ Twist-lock safety lid
- ◆ Two HVE Ports, one SE port
- ◆ Flat mounting bracket and Angle mounting bracket included
- ◆ Multiple mounting configurations
- ◆ 1-7/8" screen included

PN	Description	Price
VC1301.10	Vacuum Components Vacuum Canister Locking Lid, Sterling	US\$2.00
PN	Description	Price
VC1301.20	Vacuum Components Vacuum Canister Locking Lid, Gray	US\$2.00

Vacuum Components Vacuum Canister

- ◆ Vacuum Canister
- ◆ Two HVE Ports, one SE port
- ◆ Flat mounting bracket and Angle mounting bracket included
- ◆ Multiple mounting configurations
- ◆ 1-7/8" screen included

PN	Description	Price
VC1302.10	Vacuum Components Vacuum Canister, Sterling	US\$2.00
PN	Description	Price
VC1302.20	Vacuum Components Vacuum Canister, Gray	US\$2.00

Vacuum Canister Side Port

- ◆ Side Ported
- ◆ Two HVE Ports, one SE port
- ◆ 2-1/8" screen included

PN	Description	Price
VC1303.10	Vacuum Canister Side Port, Sterling	US\$2.00
PN	Description	Price
VC1303.20	Vacuum Canister Side Port, Gray	US\$2.00

Instrumentation - Vacuum Valve & Accessories

Vacuum Canister Bottom Port

- ◆ Bottom Ported
- ◆ Two HVE Ports, one SE port
- ◆ 2-1/8" screen included

PN	Description	Price
VC1304.10	Vacuum Canister Side Port, Sterling	US\$2.00
PN	Description	Price
VC1304.20	Vacuum Canister Side Port, Gray	US\$2.00

Vacuum Canister Screen

- ◆ Disposable enclosed vacuum traps
- ◆ Reduces Bio-burden buildup
- ◆ Contains debris inside trap
- ◆ Eliminates overflow
- ◆ Sanitary waste handling

Product Cross Reference

- ◆ VC1310.10 to DCI . #5820
- ◆ VC1310.20 to DCI . #5889

PN	Description	Price
VC1310.10	1 7/8" Vacuum Canister Screen	US\$0.25
PN	Description	Price
VC1310.20	2 1/8" Vacuum Canister Screen	US\$0.25

Air Suction Valve

PN	Description	Price
VC1402	Air Suction Valve	US\$5.00

Water Suction Valve

PN	Description	Price
VC1403	Water Suction Valve	US\$5.40

Foot Controls

10

Foot Control Economy (2 Holes)

- ◆ Precision-touch disc, responsive and high volume
- ◆ Polished steel dome Smooth and variable pressure control
- ◆ Weighted for maximum stability
- ◆ Non-skid foot pads

PN	Description	Price
FC1110.20	Foot Control Economy	US\$11.60

Dental Foot Control Shrouded (2 Holes)

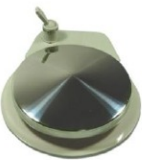

- ◆ Precision-touch disc, responsive and high volume
- ◆ Smooth and variable pressure control
- ◆ Non-skid foot pads
- ◆ Large stable base with shroud
- ◆ Weighted for maximum stability

PN	Description	Price
FC1110.10	Dental Foot Control Shrouded	US\$11.50

Wet/Dry Foot Control, Toggle Switch Style (3 Holes)

- ◆ Precision-touch disc foot control with wet/dry toggle for water coolant on/off
- ◆ Smooth and variable pressure control
- ◆ Polished steel dome
- ◆ Large stable base with shroud
- ◆ Weighted for maximum stability
- ◆ Non-skid foot pads

PN	Description	Price
FC1120	Wet/Dry Foot Control, Toggle Switch Style	US\$16.50

Chip Button Foot Control (3 Holes)

- ◆ Precision-touch disc foot control with wet/dry toggle for water coolant on/off
- ◆ Smooth and variable pressure control
- ◆ Polished steel dome
- ◆ Large stable base with shroud
- ◆ Weighted for maximum stability
- ◆ Non-skid foot pads

PN	Description	Price
FC1130	Chip Button Foot Control	US\$16.50

Foot Control Wet/Dry Chip Button & Toggle (4 Holes)

- ◆ Precision-touch disc foot control with wet/dry toggle for water coolant on/off
- ◆ Smooth and variable pressure control
- ◆ Polished steel dome
- ◆ Large stable base with shroud
- ◆ Weighted for maximum stability
- ◆ Non-skid foot pads

PN	Description	Price
FC1140	Foot Control Wet/Dry Chip Button & Toggle	US\$19.00

Foot Controls

2 Hole Foot Control Tubing

*Length : 180CM

PN	Description	Price
T1203	2 Hole Foot Control Tubing	US\$2.50

3 Hole Foot Control Tubing

*Length : 180CM

PN	Description	Price
T1202	3 Hole Foot Control Tubing	US\$3.70

4 Hole Foot Control Tubing

*Length : 180CM

PN	Description	Price
T1201	4 Hole Foot Control Tubing	US\$3.70

Foot Control Main Valve

PN	Description	Price
FC1110.11	2 Holes Foot Control Main Valve	US\$4.00

PN	Description	Price
FC1120.11	3 Holes Foot Control Main Valve	US\$4.00

PN	Description	Price
FC1140.11	4 Holes Foot Control Main Valve	US\$3.95

Foot Control Plastic Cover

PN	Description	Price
FC1110.12	2 Holes Foot Control Plastic Cover	US\$0.25

PN	Description	Price
FC1120.12	3 Holes Toggle Switch Style Foot Control Plastic Cover	US\$0.25

PN	Description	Price
FC1130.12	3 Holes Chip Button Foot Control Plastic Cover	US\$0.25

PN	Description	Price
FC1140.12	4 Holes Foot Control Plastic Cover	US\$0.25

Foot Control Toggle Valve Assembly

PN	Description	Price
FC1302	Foot Control Toggle Valve Assembly	US\$3.00

Foot Control Button Valve Assembly

PN	Description	Price
FC1303	Foot Control Button Valve Assembly	US\$3.00

Integrated Master Shut-off Valve/ Regulator / Filter / Gauge

- ◆ Non-relieving regulator, piston type
- ◆ 40 micron filter element
- ◆ 150 PSI maximum for regulator
- ◆ Diaphragm style master shut-off valve

PN	Description	Price
UC1010	Integrated Master Shut-off Valve/ Regulator / Filter / Gauge	US\$47.00

Dual Master Shut-off Valves with Filters

- ◆ Provides shut-off for air and water
- ◆ One 1/8" barb fitting for master control valve
- ◆ One 1/4" barb fitting for air
- ◆ One 1/8" barb fitting for water

PN	Description	Price
UC1020	Dual Master Shut-off Valves with Filters	US\$30.00

Dual Master Shut-off Valve

- ◆ For remote or utility center installation

PN	Description	Price
UC1020.10	Dual Master Shut-off Valve	US\$20.00

Syringe Water Heaters

- ◆ Compact 4 oz
- ◆ Preset temperature
- ◆ MPT Port

PN	Description	Price
S1510	Syringe Water Heaters	US\$22.00

Regulators & Gauges

13

Mini Regulators

- ◆ 150 PSI maximum
- ◆ Self-relieving

PN	Description	Price
R1200	10-32 Input,Mini Regulators	US\$7.50

Mini Pressure Gauges 1"

PN	Description	Price
R1110	0-60 PSI Mini Pressure Gauges 1"	US\$2.00

Pressure Gauge Rectangular

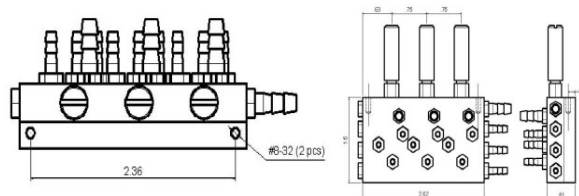

- ◆ 0-60 PSI reading
- ◆ For air only
- ◆ 1/2" H x 1 3/4" W

PN	Description	Price
R1120	Pressure Gauge Rectangular	US\$6.00

3 Handpieces Control Block

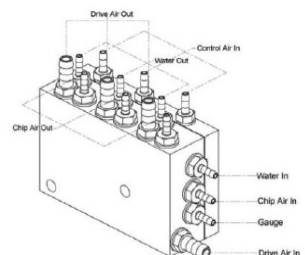

- ◆ Control blocks for 3 handpieces
- ◆ Solid brass construction
- ◆ Buna inter-woven diaphragm
- ◆ High flow and wearing-proof design
- ◆ Diaphragm made by DUPONT Inc (USA), long life time.

PN	Description	Price
V1208.10	3 Handpieces Control Block	US\$21.00

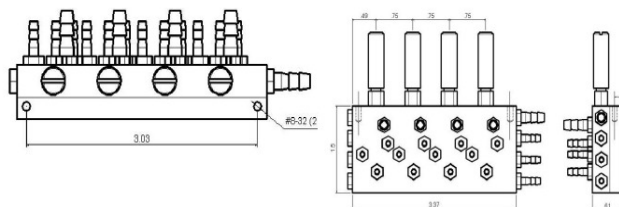

3 Handpieces Control Block (USA Type)

- ◆ Mini control block for 3 handpieces
- ◆ Solid brass construction
- ◆ Meters drive air, coolant air + water
- ◆ Extra mounting holes allows variety of placements
- ◆ 10-32 threaded barbs
- ◆ Longest lasting inter-woven diaphragm
- ◆ High flow design
- ◆ Direct replacement for similar blocks
- ◆ Diaphragm made by DUPONT Inc (USA), long life tin

PN	Description	Price
V1208.20	3 Handpieces Control Block (USA Type)	US\$31.00

4 Handpieces Control Block

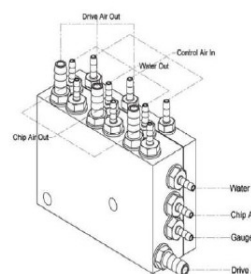

- ◆ Control blocks for 4 handpieces
- ◆ Solid brass construction
- ◆ Buna inter-woven diaphragm
- ◆ High flow and wearing-proof design
- ◆ Diaphragm made by DUPONT Inc (USA), long life time.

PN	Description	Price
V1209.10	4 Handpieces Control Block	US\$32.00

4 Handpieces Control Block (USA Type)

- ◆ Mini control block for 4 handpieces
- ◆ Solid brass construction
- ◆ Meters drive air, coolant air + water
- ◆ Extra mounting holes allows variety of placements
- ◆ 10-32 threaded barbs
- ◆ Longest lasting inter-woven diaphragm
- ◆ High flow design
- ◆ Direct replacement for similar blocks
- ◆ Diaphragm made by DUPONT Inc (USA), long life ti....

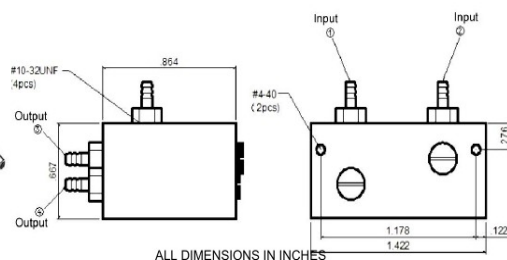

PN	Description	Price
V1209.20	4 Handpieces Control Block (USA Type)	US\$36.00

Flow Adjustment Manifold

- ◆ 10-32 Ports, 1/8" or 1/4" fittings
- ◆ Manages air and /or water flow
- ◆ Nickel plated brass
- ◆ Suitable for syringes

Specifications

- ◆ Working Pressure: 0~125psi
- ◆ Working Temperature: -25°F~18
- ◆ Used for Air or Water

PN	Description	Price
S1410	Flow Adjustment Manifold	US\$3.50

Automatic Handpiece Holder Valves

Product Cross Reference

◆ HA1513.10 → DCI . #5948

◆ HA1513.20 → DCI . #5947

PN	Description	Price
HA1513.10	Automatic Handpiece Holder Valves, Side Ported, Normally Closed	US\$2.50
PN	Description	Price
HA1513.20	Automatic Handpiece Holder Valves, Side Ported, Normally Open	US\$2.50

Automatic Handpiece Holder Valves

Product Cross Reference

◆ HA1514.10 → DCI . #5983

◆ HA1514.20 → DCI . #5989

PN	Description	Price
HA1514.10	Automatic Handpiece Holder Valves, Rear Ported, Normally Closed	US\$2.50
PN	Description	Price
HA1514.20	Automatic Handpiece Holder Valves, Rear Ported, Normally Open	US\$2.50

Automatic Handpiece Holder Valves

PN	Description	Price
HA1516.10	Automatic Handpiece Holder Valves, Normally Closed, High Quality	US\$5.00
PN	Description	Price
HA1516.20	Automatic Handpiece Holder Valves, Normally Open, High Quality	US\$5.00

Automatic Handpiece Holder Valves

PN	Description	Price
HA1512.10	Big Side Ported Automatic Handpiece Holder Valves, Normally Closed	US\$2.50
PN	Description	Price
HA1512.20	Big Side Ported Automatic Handpiece Holder Valves, Normally Open	US\$2.50

2 Way Toggle Valve

◆ Panel-mounting 15/32-32 thread with nut

◆ For air or water;

Product Cross Reference

◆ V1101.10

◆ V1102.10

PN	Description	Price
V1101.10	On / Off 2 Way Toggle Valve	US\$2.30
PN	Description	Price
V1102.10	Momentary 2-Way Toggle Valve , Normally Closed	US\$2.30

2 Way Quick Relieving Toggle Valve

◆ Panel-mounting 15/32-32 thread with nut

◆ For air or water

◆ Self- Relieving

PN	Description	Price
V1101.20	On / Off 2 Way Quick Relieving Toggle Valve	US\$2.50
PN	Description	Price
V1102.20	Momentary 2-Way Quick Relieving Toggle Valve, Normally Closed	US\$2.50

3 Way Toggle Valve

- ◆ Panel-mounting 15/32-32 thread with nut ◆ For air only

Product Cross Reference

- ◆ V1106.10 ◆ V1107.10 ◆ V1107.11

PN	Description	Price
V1106.10	On / Off 3 Way Toggle Valve	US\$2.27
PN	Description	Price
V1107.10	Momentary 3-Way Toggle Valve, Normally Closed	US\$2.30
PN	Description	Price
V1107.11	Momentary 3-Way Toggle Valve, Normally Open	US\$2.30

3 Way Quick Relieving Toggle Valve

- ◆ Panel-mounting 15/32-32 thread with nut ◆ For air only ◆ Self- Relieving

PN	Description	Price
V1106.20	On / Off 3 Way Quick Relieving Toggle Valve	US\$2.50
PN	Description	Price
V1107.20	Momentary 3-Way Quick Relieving Toggle Valve, Normally Closed	US\$2.50
PN	Description	Price
V1107.21	Momentary 3-Way Quick Relieving Toggle Valve, Normally Open	US\$2.50

2 Way Push Button Momentary Valve

- ◆ Panel-mounting 15/32-32 thread with nut ◆ For air or Water

Product Cross Reference

- ◆ V1103

PN	Description	Price
V1103	2 Way Push Button Momentary Valve, Normally Closed	US\$2.30
PN	Description	Price
V1104	2 Way Push Button Momentary Valve, Normally Open	US\$2.30

3 Way Push Button Momentary Valve

- ◆ Panel-mounting 15/32-32 thread with nut ◆ For air only

Product Cross Reference

- ◆ V1108 ◆ V1109

PN	Description	Price
V1108	3 Way Push Button Momentary Valve, Normally Closed	US\$2.30
PN	Description	Price
V1109	3 Way Push Button Momentary Valve, Normally Open	US\$2.50

Toggle Routing Valve

- ◆ Panel-mounting 15/32-32 thread with nut ◆ For air or water

Product Cross Reference

- ◆ V1105.10

PN	Description	Price
V1105.10	Toggle Routing Valve	US\$3.00

Toggle Routing Valve Quick Relieving

- ◆ Panel-mounting 15/32-32 thread with nut ◆ For air or water ◆ Self- Relieving

PN	Description	Price
V1105.20	Toggle Routing Valve Quick Relieving	US\$3.70

Water Relay

- ◆ Air activated water retraction ◆ 10-32 ports with 1/16" barbs

Product Cross Reference

PN	Description	Price
V1119	Water Relay	US\$9.50

Round Water Relay

- ◆ Air activated water retraction ◆ 10-32 ports with 1/8" barbs or 1/16"barbs

PN	Description	Price
V1502.10	Round Water Relay 1/8"barbs	US\$8.50
PN	Description	Price
V1502.20	Round Water Relay 1/16"barbs	US\$8.50

Water non-retraction Relay

PN	Description	Price
V1503	Water non-retraction Relay	US\$11.00

Water retraction Relay

PN	Description	Price
V1504	Water retraction Relay	US\$10.00

Water non-retraction Relay

PN	Description	Price
V1505	Water non-retraction Relay	US\$7.00

Shuttle Valve (2 input, 1 out put)

- ◆ For routing two different flows through one output

Product Cross Reference

- ◆ V2601.10

PN	Description	Price
V2601.10	Shuttle Valve for 1/8"tubing (2 input, 1 output)	US\$2.00
PN	Description	Price
V2601.20	Shuttle Valve for 1/16"tubing (2 input, 1 output)	US\$2.00

Shuttle Valve (3 input, 1 out put)

- ◆ For routing three different flows through one output

PN	Description	Price
V2603.10	Shuttle Valve for 1/8"tubing (3 input, 1 output)	US\$5.80
PN	Description	Price
V2603.20	Shuttle Valve for 1/16"tubing (3 input, 1 output)	US\$5.80

Valves

18

Air Activated On/Off 3-Way Valve

◆ Used for Water controlled by Air

◆ Self- Relieving

PN	Description	Price
V1118	Air Activated On/Off 3-Way Valve	US\$5.00

Flow Control Needle Valve

◆ Fine flow control adjustment for air or water

PN	Description	Price
V2401	Flow Control Needle Valve	US\$3.00

Water Flow Control Valve

◆ Fine flow control adjustment for water only.

PN	Description	Price
V2402	Water Flow Control Valve	US\$5.40

Water Flow Control Valve

◆ Fine flow control adjustment for water only.

PN	Description	Price
V2403	Water Flow Control Valve	US\$6.30

Air Flow Control Valve

PN	Description	Price
V2405	Air Flow Control Valve	US\$3.83

Pinch Valve

PN	Description	Price
V2404	Water Flow Control Valve	US\$5.70

Check Valve

◆ For use with non-retraction water systems

Product Cross Reference

◆ V1701

◆ V1702

PN	Description	Price
V1701	Check valve with 1/16"barbs	US\$2.00
PN	Description	Price
V1702	Check valve with 1/8"barbs	US\$2.00

Round Check Valve

PN	Description	Price
V1703	Round Check Valve	US\$7.40

Valves

19

Diaphragm Air Pilot Valve

◆Diaphragm made by DUPONT Inc (USA), long life time.

◆10-32 Port

PN	Description	Price
V1501	Diaphragm Air Pilot Valve	US\$8.60

Balance Arm Control Valve

PN	Description	Price
V2701	Balance Arm Control Valve	US\$6.00

Air-operated Diaphragm Valve

◆Diaphragm made by DUPONT Inc (USA), long life time.

PN	Description	Price
V2702	Air-operated Diaphragm Valve
